

# Executive Summary of Bid Evaluation Report

**Project Title: ROAD WIDENING AND DRAINWORKS AT JOUVANCE, D'EPINAY**

**PROJECT IDENTIFICATION NUMBER: NDU/Q/5/2020-2021/OIB**

## **1. Scope of Contract:**

The project is located at Jouvance, D'Epina y and consists of the following:

- Scarification, reconstruction and widening of the road over a stretch of 450m including realignment of road and provision of parking spaces for 8 Nos. cars next to the existing culvert.
- Construction of footpath on one side of the road along the whole stretch of 450m including pedestrian crossing.
- Construction of new bus layby complete with bus shelter.
- Construction of new tarred jogging track 2.5 m wide x 400m long including footbridge across the rivulet Ville Bague.
- Associated stormwater drainage over above 500m including masonry open drain 1.5m wide, reinforced concrete manholes with hot dipped galvanised metal grating covers, and PVC overflow pipe.
- Road furniture and landscaping works including grass planting and provision of trees between jogging track and road amongst others. The aesthetic appeal of the jogging track and the environment has been enhanced by providing grass planting, trees and landscaping works between the jogging track and the road.
- Associated works for installation of water, electrical, street lighting and telecommunication services.
