9. Recommendation

Given that the lowest bid amount exceeds the estimated cost by more than 15%, BEC recommends the following:

1. To carry out the bidding exercise anew based on latest estimates; **OR**
2. To proceed with negotiation with the lowest bidder, in case the Recommendation at SN. 1 is not considered feasible.

Moreover, It is of common practice that bid amounts are quoted inclusive of VAT component and contingencies, but BEC noted that in this e-procurement exercise, the bid amount is VAT exclusive and this may have led to a confusion for the bidders while quoting the price. The bidders should be reminded that e-procurement exercise are to be quoted excluding of VAT.

After negotiation **Safety Construction Co. Ltd** is being recommended for award of the Works 'Construction of Mini Soccer Pitch at La Tourelle, La Tour Koenig' for the discounted amount of MUR 18,392,087.19 (VAT incl.).
