1	General	Can we have the Word version of the RFP?	The word version of the RB is available on the website of the NDU at https://ndu.govmu.org and may be downloaded.
2	INTRODUCTION - License requirements. "The system should cater for around 75 staff."	Is the 75 staff referring to number of employees to manage in HR & Payroll modules ? There is no mention on how many users will use the system, such as number of users per modules (e.g. Cash Management, Fixed Assets, etc...)	The system will be use by a total of 7 users from HR, Account clerk and Accounting Tech section.
3	Existing Server Environment	Since you will be using your existing server, do you have the necessary licenses for adding more VMs using Hyper-V?	No. Bidders are requested to quote separately as an option.
4	Existing Server Environment	What is the current use of this server (i.e. running any applications, used as file server, etc...) ?	Currently being used as file server storage, for back up purposes of shared folder as well as active directory.
5	Existing Server Environment	Is there a domain controller running? If yes, is it on the same server and what the is Windows version?	Yes on same server, window server 2019.
6	Antimalware Licenses	Do you have any antivirus/antimalware installed on this server ? If yes, provide details.	Antivirus are on standalone pc's, not on server. kindly quote separately as an option.
7	Backup and Restore	What backup device and backup software does LDA have ?	Backup is being done on external hard disk using fast copy(open source software).
8	Backup and Restore	Adding Backup solution to run on the same server will legally require additional Windows license. Shall we quote for ?	Bidders are requested to quote separately as an option.
9	Backup and Restore	Will the tapes be kept offsite?	No, not for the time being.
10	Backup License	Kindly confirm if we should quote for backup licenses or the LDA have existing backup license	Bidders are requested to quote separately as an option. Backup is being done on external hard disk.

11	Backup License	If LDA have existing licenses for backup, kindly confirm the name of the backup software	The LDA has no existing backup license. Bidders to quote separately as an option.
12	Antivirus license	Kindly confirm if we should quote for anti-virus license or the LDA will provide anti-virus licenses	The LDA has Antivirus software on standalone pc's. Bidders to quote separately as an option.
13	Antivirus Name	LDA have existing licenses for anti-virus, kindly confirm the name of the anti-virus	LDA currently uses Symantec Antivirus on standalone pc's.
